## COMMUNITY HEALTHCARE + MICRO-ENTERPRISE 25 OCTOBER - 6 NOVEMBER

**TRIP PURPOSE** Links has been given the opportunity to train a network of community influencers from across the whole of India. Participants will travel to Agra for Community Healthcare and Micro-Enterprise Development training. We want each person to leave inspired, empowered and ready to begin training and transforming communities in their regions.

**TRIP TEAM** We need 6 Community Healthcare enthusiasts who love communicating and have a passion to teach, empower and inspire others. Participants will need to be flexible and adaptable.  
We need 2 people who love communicating and have a passion to train micro-enterprise administrators so they are equipped to successfully train, support others and develop successful initiatives.
