from God's  
perspective.*

# Connecting you with God's world...

**Kairos** is an exciting interactive course that looks at our world from God's perspective. The *Kairos journey* can help you to understand God's global purpose, discover the missionary thread from Genesis to Revelation and glimpse the incredible unrelenting advance of Christianity around the world.

Kairos will inspire, motivate and mobilise you and your church. It covers four mission themes: *biblical, historical, strategic and cross-cultural*.

The rationale of the course is that mission is the basis of the Bible and that we are all *senders, mobilisers, welcomers, intercessors or goers* in relation to world mission.

## How Kairos is run:

**Kairos** can be conducted in a variety of formats, including: a five day intensive course, over four Saturdays, or three weekends. The Kairos material is ideal as part of a discipleship or mentoring programme. It can be used within the context of fieldwork, and adapted as preparation for short-term teams to give an immediate practical learning experience.
