

bible-based marriage

Bible-Based Marriage brings the truths of the Bible, concerning marriage, to couples so they can enjoy marriage the way it was intended. Scripture, mixed with life experience, form the basis of the seminars and result in healing, hope and healthy marriages. Countless couples testify that their marriages have been rescued and restored.

Janviere and Emmanuel, a couple from Rwanda, attended a three day Marriage Encounter.

Janviere writes 'I have been married for fifteen years. I came from a poly-gamous family, I behaved badly. I have never looked into her face since the day we got married. The Lord has opened my sight and I see she is beautiful.'

Emmanuel writes 'Our family has been totally crushed for fifteen years. He abandoned me and work and work and work. There was no love between us for fourteen years, but in three days I came to know he was my husband. We just got married again.'

We're committed not only to community transformation but also changing lives – one family, one marriage, and one life at a time.
